

General Rules and Regulations for all Competitions

1. **Under no circumstances are electronic devices i.e....cell phones, MP3's, i-Pods etc. allowed in the arena. If said items are brought into the arena, that competitor(s) will be disqualified and no scores will be given.**
2. Competitions are open to all licensed cosmetologists, barbers, nail technicians, estheticians, and/or students, as specified. NOTE: Student Competitions are open to any student who is attending a cosmetology school. School contact information must be included on each Student Competitor registration form
3. For each competition entered, the competitor must submit an official Competition Registration Form and Model Release Form with the required fee. Models under the age of eighteen (18) must have a parental signature on the Model Release Form. No refunds or credits of entry fees will be issued.
4. Only one model/mannequin will be allowed per competitor/per competition. The model cannot be the competitor nor can the competitor be the model, but must be a separate person. It is the responsibility of each competitor to furnish his or her own model at his or her own expense.
5. Competitor and model must be together when signing in at the registration desk for ID verification.
6. The competition chair person will conduct the competitions. Judges, sages and tallymen, appointed by and along with the chair person, will constitute the committee. The head juror will break any ties that may occur. The competitors agree to abide by the decision of the jury. The competition chair person shall consult with the sages when an infraction of the rules occurs. IF the majority opinion of the sages is that an infraction was committed penalty points ranging from one (1) to three (3) will be assessed depending on the nature and severity of the infraction. Members of the jury will not be made aware of any infraction penalized by the sages until they have scored the competition.
7. Only table, chairs and mirrors will be provided at the competition site. No hood dryers are provided for competitors. One electrical outlet is provided (two standard outlets) only where indicated in specific rules. **Tools drawing more than 1500 watts are NOT allowed.** Wattage label must appear on blow dryers. Higher wattages could cause our power sources to fail and delay the competitions. No ceramic stoves or free irons.
8. All work is done by the competitor(s). Models may help a competitor verbally or by handing a competitor tools or products but may in no way physically help in the creation of the finished look. Instructors may not serve as models in student competitions.
9. On-site registration will be accepted up until two hours prior to each specific competition.
10. Competitor and model must be in contest holding area 30 minutes prior to competition for roll call. There will be a briefing on Rules & Regulations 15 minutes prior to competition. **Any competitor arriving late will be disqualified and will not be allowed to compete.**
11. **No coaching** by anyone will be allowed at any time during the competition. Any competitors(s) being coached will be disqualified. During the competition and judging no one from the audience is allowed to speak to or be near any of the judges, sages, competitors or models.
12. Competitor/Model must be respectful of others around them during the competition and not be disruptive.
13. The competitor is responsible for providing their own Blood Contamination Kit, which should include antiseptic spray, disposable toweling, band-aids, styptic powder or liquid, sealable plastic bag and rigid container to place any accidental blood contamination.
14. Flash photography will only be permitted at designated times during the competitions.
15. The Director of Competitions and the Competition Committee shall determine any rule not herein provided for. The decision of the committee shall be final.

General Penalty Points

It is the responsibility of a competitor to not only show respect for all the rules, but also to show respect for the intent of the rules. Penalty Points are only subtracted when in the opinion of the Committee of Sages a competitor has taken an unfair advantage. The amount of points subtracted for each penalty will be reflective of the severity of the infraction. Penalty points may be assessed for, but not limited to the following:

DISQUALIFICATION:

- **Under no circumstances are electronic devices i.e....cell phones, MP3's, i-Pods etc. are brought into and/or visible in the arena. If said items are brought into the arena, that competitor(s) will be disqualified and no scores will be given.**
- Any competitor arriving after the start of a competition that they are registered to participate in.

Three Penalty Points:

- **If competitor or model is wearing company, school or salon logo i.e...capes, clothing, and equipment.**
- The verbal or non-verbal assisting of any competitor by any person(s) inside or outside the competition arena while working, with the exception of the model.
- Any competitor who with malicious intent interferes with another competitor or their presentation before, during or after any contest.

Two Penalty Points:

- Models may only assist a competitor verbally or by handing a competitor tools or products. Under NO circumstance can they physically help in creating the finished look.
- Using any tools or products that are prohibited by the rules of the individual contest.

One Penalty Point:

- Any competitor continuing to work after time has been called.
- Competitor/Model is not respectful of others around them during the competition and is disruptive.

Competition Definitions

6:30 PM Competitions Arena

- 1st Place: Trophy for School – Medallion for Competitor
- 2nd Place: Trophy for School – Medallion for Competitor
- 3rd Place: Trophy for School – Medallion for Competitor

Objective:

The purpose of this competition is to encourage artistic thinking and exploration of new horizons in materials and techniques utilized in nail design and decoration. This is not a "contest" in the standard sense of the word. "Fantasy Nails" is primarily a presentation and parade of nail designs for judging based on the following concept:

"Fantasy" is defined as an extravagant, creative nail design conceived only for display and ideally demonstrating the artistic use of new and established materials. You may use any materials that you need to create the look desired. Keep in mind that the nails are what you are displaying. Covering the hands may not show the creativity of your work.

Time Allowed: 60 minutes on a live model.

Rules and Special Instructions:

Judges will be present during competition to observe the competitor's techniques.

1. Competitor will design and create the fantasy nails on a live model.
2. Makeup and wardrobe must be applied before entering the competition arena.
3. Props may be used and must be a size that the model can handle without assistance. If props are used they must be mobile.
4. Guidelines for judging are originality, use of medium(s), workmanship, continuity of theme, with overall workmanship and costume.
5. Models will parade with props without assistance before the judges.
6. Competitor/Model must be respectful of others around them during the competition and not be disruptive.
7. Refer to the **General Rules and Regulations.**

Penalty Point Chart:

1. **DISQUALIFIED** if electronic devices i.e....cell phones, MP3's, i-Pods etc. are brought into and/or are visible in the arena.
2. Refer to **General Penalty Points.**
