

**ACSP
Columbia Affiliate # 9
July 2007 Gathering**

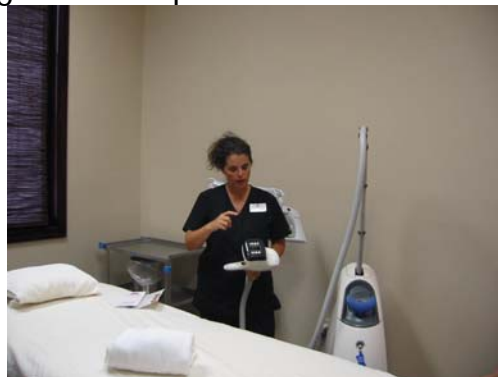

On Monday July 16, 2007 our affiliate members gathered together for a great afternoon of education with Melissa Walker an Esthetician at the **AMERICAN LASER CENTER** located at **1024 B Wildewood Centre Drive** in Columbia. Melissa gave us powerful and informative information for us to be able to further educate our clients in the fast pace world of laser and permanent make-up. Our very own Echo Morris modeled the permanent eyeliner technique.

We are enclosing procedure pictures and a brochure.

Echo during and after procedure.
